Father's Day is Sunday June 17th

The Right Choice A 16-year-old was out late with friends one night. Suddenly he realized it was Father's Day and he had neglected to buy a card for his dad. After much searching, he located an open store, but was disappointed to find only two cards left on a picked-over rack. Selecting one, he brought it home and, somewhat sheepishly, presented it to his dad.

Upon opening it, his Dad read this message: "You've been like a father to me." He looked at his son, puzzled.

"Well, Dad," the son tried to explain, "it was either that or the card that said, 'Now that I'm a father too!'"
