Friday, July 24th 6-8

Texas/Oklahoma District Governor Susan Hennem and the White Rock club are hosting an evening with Kiwanis International Executive Director Stan Soderstrom. Stan is a native Texan and a long time member of the White Rock Club. Stan will present what's new with Kiwanis, the Eliminate Project, and how "One Can Make a Difference" He would like to show you how Kiwanis can better serve your community. Please bring a friend, family member or business associate. **RSVP by July 16th to Sandra Williams**

Division Council meeting

Saturday July 7th

Thanks for going: Tajman Felix, Mike Livzey, Joe Sparling, Sandra & Dennis Williams.

Ramp scheduled for this Saturday

South of Culleoka, just before Clear Lake Park on Lavon. This gives you an example for what our Ramp crew does. This is a before picture. Porch is 45 inches tall. The ground falls away from the porch to the driveway. That is why we have to make a "U" turn and come back up hill to get enough ramp for the elevation drop. We can tie into the existing walkway to get her back to the gravel drive.

TX-OK District Convention in Killeen, Texas August 8-12, 2012

Bring in **Shoes and socks** for our District Governor's Service Project. The Convention organizers are also asking us to bring school supplies to help the families at the military base in Killeen. Example: a backpack with the following school supplies: #2 pencils, wide-lined paper, primary color crayons, 12" ruler, soft eraser, small safety scissors, school glue stick, Kleenex, 2 folders.

Texas Oklahoma Conventions will be held in Rockwall in 2013 and then in Allen in 2014. Both of these clubs are in our Division. All clubs in our Division will be responsible for a part of these two Conventions.

Crayons and Coloring Books

The stores are having "Back to School" sales. Don't forget to pick up crayons and coloring books all year for our ongoing project for the Children's Hospital. Every child that comes into the hospital receives their own crayons and books. So they need many. Bring those into the meetings or drop by Dennis' carport.

Flag Day

On June 14, 1777, the Continental Congress proposed that the United States have a national flag instead of the British Union Jack. The 13 stars of the flag represented the 13 new states. There were few public ceremonies honoring the Stars and Stripes until 1877, when on, June 14, it was flown from every government building in honor of the centennial of the adoption of a national flag.

Performances at McKinney Boyd High School

Six Objects of Kiwanis International were approved by Kiwanis club delegates at the 1924 Convention in Denver, Colorado. They have remained unchanged. Despite numerous efforts to amend or to add to them.

To give primacy to the human and spiritual rather than to the material values of life.

To encourage the daily living of the Golden Rule in all human relationships.

To promote the adoption and the application of higher social, business, and professional standards.

To develop, by precept and example, a more intelligent, aggressive, and serviceable citizenship.

To provide, through Kiwanis clubs, a practical means to form enduring friendships, to render altruistic service, and to build better communities.

To cooperate in creating and maintaining that sound public opinion and high idealism which make possible the increase of righteousness, justice, patriotism, and goodwill.

ELIMINATE

maternal/neonatal tetanus

Maternal/neonatal tetanus is caused by bacteria that gain entry into the body during the birthing process due to contaminated and unsafe birthing facilities and practices.

Everyone bring in your jars (no matter how full). Put your name on your jar so Dennis can get them back to the right member. Thanks.
