**Six Objects of Kiwanis International** were approved by Kiwanis club delegates at the 1924 Convention in Denver, Colorado. They have remained unchanged. Despite numerous efforts to amend or to add to them.

To give primacy to the human and spiritual rather than to the material values of life.

To encourage the daily living of the Golden Rule in all human relationships.

To promote the adoption and the application of higher social, business, and professional standards.

To develop, by precept and example, a more intelligent, aggressive, and serviceable citizenship.

To provide, through Kiwanis clubs, a practical means to form enduring friendships, to render altruistic service, and to build better communities.

To cooperate in creating and maintaining that sound public opinion and high idealism which make possible the increase of righteousness, justice, patriotism, and goodwill.

## **ELIMINATE** maternal/neonatal tetanus

Maternal/neonatal tetanus is caused by bacteria that gain entry into the body during the birthing process due to contaminated and unsafe birthing facilities and practices.

Everyone bring in your jars (no matter how full). Put your name on your jar so Dennis can get them back to the right member. Thanks.
