Friday, November 2nd 5:30-8:00

Sell Tickets and get those silent auction items

Maternal/neonatal tetanus is caused by bacteria that gain entry into the body during the birthing process due to contaminated and unsafe birthing facilities and practices. Everyone bring in your jars (no matter how full). Put your name on your jar so Dennis can get them back to the right member. Thanks.

Clean up Our Meeting Room

Each table-please assign a member to clean your own table!

The following members will be responsible making sure the room is clean and **all** items put away. **If you are not going to be at the meeting please get your own replacement.** Thanks, the management.

Interesting Facts About . . .The Great Depression

People who lost their homes often lived in what were called "Hoovervilles," or shanty towns, that were named after President Herbert Hoover. There was also "Hoover Stew" (food dished out in soup kitchens), "Hoover Blankets" (newspapers that served as blankets), "Hoover Hogs" (jack rabbits used as food), and "Hoover Wagons" (broken cars that were pulled by mules).^c

Kiwanis Education

The first Kiwanis club was organized in Detroit, Michigan, USA, in 1914. The club received a charter from the state of Michigan on January 21, 1915—the day that is regarded as the birth date of Kiwanis. In recognition of its heritage, the club's name is Detroit Kiwanis Club No. 1. The club continues to serve the children of Detroit.
