A Tidbit of Trivia...on July 20, 1969 Neal Armstrong's first words after stepping on the moon, "That's one small step for man, one giant leap for mankind", but before he re-entered the lander, he remarked "good Luck, Mr. Gorsky" This remark was explained 26 years later, because Mr. Gorsky had died. In '38, when he was small his friend hit a ball that landed in their next door neighbor's yard by their bedroom window. As Neal was picking up the ball he heard Mrs. Gorsky shout at Mr. Gorsky, Sex! You want Sex? You'll get it when the kid next door walks on the moon!" Neil Armstrong's family confirmed this is a true story.
