Division Council Meeting

Saturday, February 2nd, 9 am @ Network

A note from our Lt. Governor Rex: FEBRUARY DCM: A very important meeting. It will be 2 hours long (9-11). We will have short business and raffle time, and then our Area Director, Stephanie Ursini-Bennett, is going to present a program on membership recruiting.

This is important for every Club to attend, but especially important for those Clubs that are below charter strength. Therefore, EVERY Club should have 2 or more members at this meeting. **I will assume that if you do not have members attend this, you are not serious about increasing your Club's membership.**

Our Division 2 will conduct a ground breaking Month long recruiting effort (Jan. 21-Feb 17) for clubs and new clubs in process. Past Governor Susan Hennem and International membership chair Stephanie Ursini-Bennett will be writing the curriculum for this first only membership drive and will be used again in San Antonio If it is a success it will be implemented by Kiwanis International.

Maternal/neonatal tetanus is caused by bacteria that gain entry into the body during the birthing process due to contaminated and unsafe birthing facilities and practices. Everyone bring in your jars (no matter how full). Put your name on your jar so Dennis can get them back to the right member. Thanks.

If you have a suggestion for a program please contact Tijmen Felix or Brian Hazelwood, Thanks!!!!
