## KIWANIS INTERNATIONAL PROJECT

**ELIMINATE**  
maternal/neonatal tetanus

Maternal/neonatal tetanus is caused by bacteria that gain entry into the body during the birthing process due to contaminated and unsafe birthing facilities and practices.

Everyone bring in your jars (no matter how full). Put your name on your jar so Dennis Williams can get them back to the right member. Thank you

Kiwanis International has created a way for you to honor a loved one by giving \$1,250 for a Walter Zeller award. Now this Tax Exempt gift can be given for half the price. Our club will match a donation of \$625 as long as our funds last. Please consider this great honor for someone you would like to recognize and save over 600 children and their mothers. Please contribute.

## **Member Concerns**

Mark Winters was admitted to Medical City Dallas on Monday Feb 25 to start receiving stem cell transplant for his cancer treatment. Mark will be in the hospital for the next 2 weeks and could use our support

Glenn Coleman unfortunately had foot surgery again, and has to keep elevated to minimize swelling. He is doing great though.

Pat's Murray's last surgery went well but was extensive, he is home but is in lots of pain

Cards, emails, phone calls or even a visit if you are able. Of course, thoughts and prayers are also more than welcome!
