Maternal/neonatal tetanus is caused by bacteria that gain entry into the body during the birthing process due to contaminated and unsafe birthing facilities and practices. Everyone bring in your jars (no matter how full). Put your name on your jar so Dennis Williams can get them back to the right member. Thank you

Honor a loved one by giving \$1,250 for a Walter Zeller award. This Tax Exempt gift can be given for half the price! Our club has matching funds. Please consider this great honor save over 600 children and their mothers. Please contribute.
