ELIMINATE maternal/neonatal tetanus

MMT is caused by bacteria that gain entry into the body during the birthing process due to contaminated and unsafe birthing practices. Honor a loved one by giving a Walter Zeller award. Normally the donation for this award is \$1250.

This Tax Exempt gift can be given for half the price. The club will match a \$625 donation.

Please consider donating a dollar for each year you have had life and for each year you have been married when those special events come around. Be sure to fill up those jars and bring them in. The grand total contributions so far are \$17,168.26
