## ELIMINATE maternal/neonatal tetanus

Just last week we received wonderful news. The World Health Organization's Validation Survey confirmed that Mauritania has eliminated maternal neonatal tetanus. Thanks to the generosity of Kiwanis members around the world, UNICEF and its partners, 36 countries have now officially declared victory over the pain and suffering of MNT. We have now raised over \$79 million towards our goal. We are changing the world. Keep on bringing in your coin jars. Our Club Goal: \$60,000 - Raised so far about \$51,123. Big thanks to all the members that have given a gift of life on their Birthday or Anniversary. Make your check to McKinney Kiwanis Foundation with ELIMINATE in the memo line.

**BINGO** last Tuesday night. We had 18 residents enjoy this exciting competition. Thanks to Paula Ator for setting this up and getting a birthday card for one of our regulars that is turning 100 this month. Thanks also for helping to the Baumgardners, John Moore, Dave Hinman and Sandra Williams.

 *Happy Mothers day*

**Vote early and vote often** generally tongue-in-cheek. The phrase had its origins in the United States in the early 1900s when it was used in relation to the activities of the organized crime figures in Chicago. The phrase, to vote early (through the original meaning of early in the morning) gives the fraudulent voter time to travel to another precinct and cast a ballot elsewhere, reducing the risk of getting caught (voting often).

**Speaking of Voting.....**Time to elect Officers for 2015-2016. If you are interested in a board appointment let Jim Cairo know. Beth Hensley has stepped up so far. Elections will be May 21<sup>st</sup>. Don't nominate anyone without their permission
