THE FORMULA

Love It. Share It. Live It.

Love your club. Share it with others. Make your community better. **The Iplan**

What is a strategic plan?

Think of a strategic plan as an organization's road map: You can choose the roads you want to take, but the strategic plan ensures you reach your destination—your goals. Kiwanis International's strategic plan, the Kiwanis I-Plan, is designed for each district and club to use as a guide to create their own plans and choose their own paths toward accomplishing common goals. The plan focuses on four goal areas—or priorities—that will help clubs, districts and our overall organization thrive for years to come as a positive force for good in the world.

Investment: Financial viability

Goal: To ensure financial viability and responsible stewardship

Kiwanis does amazing work in the world. When we make wise financial investments, find opportunities to turn profits into service, pool our financial and volunteer resources, create efficient structures and make processes easy and affordable, we can build our capacity to do even more for the children of the world.

Strategies:

- Exercise proper stewardship of resources
- Build a non-dues revenue base
- Simplify the organizational dues structure and processes
- Develop financial education
- Build the Kiwanis Children's Fund

CLUB OFFICERS:

- President:** Michelle Beatty
- Pres-Elect:** Bill Rosnett
- V-Pres:** Julie Lichter
- Past President:** Jim Smith
- Secretary:** Sandra Williams
- Treasurer:** Margaret Harsch
- Directors:** Jim Cairo, Dave Hinman, Tressie Johnsen, Mary Minnis, Rob Nelson, Terry Sanner
