THE FORMULA

Love It. Share It. Live It.

Love your club. Share it with others. Make your community better. **The Iplan**

What is a strategic plan?

Think of a strategic plan as an organization's road map: You can choose the roads you want to take, but the strategic plan ensures you reach your destination—your goals. Kiwanis International's strategic plan, the Kiwanis I-Plan, is designed for each district and club to use as a guide to create their own plans and choose their own paths toward accomplishing common goals. The plan focuses on four goal areas—or priorities—that will help clubs, districts and our overall organization thrive for years to come as a positive force for good in the world.

Inspiration: Strategies: Increase membership. Open clubs, Develop leaders. Focus on service to invite new members, strengthen clubs and open clubs. Build a strong network of local and global partners

Impact: Strategies: Empower and support growth in our Service Leadership Programs. Align relevant service with community needs, Encourage the development of a signature service project in each club. Encourage hands-on service projects

Image: Strategies: Increase name recognition worldwide. Increase knowledge of our mission, both internally and externally. Unify all Kiwanis brands Promote the Kiwanis vision and vivid description as supported by the Objects of Kiwanis. Promote signature service projects

Investment: Strategies: Exercise proper stewardship of resources. Build a non-dues revenue base. Simplify the organizational dues structure and processes. Develop financial education. Build the Kiwanis Children's Fund.
