KEY CLUB REGIONAL TRAINING CONFERENCE

Last Saturday at Allen High
This was a wonderful event. Ish Patel our Key Club Lt. Governor Division 2N did a great job. They started with a service project that helped everyone get to know each other. They then had breakout sessions (treasurer, secretary, president and leadership. The members then gathered to discuss plans for this summer and next year. All three of our McKinney Key Clubs were well represented. I am glad I went!

Now this is funny!

An Amish boy & his father went to the mall for the first time. They were amazed by almost everything they saw, but especially by two shiny, silver walls that could move apart and then slide back together again. The boy asked, 'What is this, Father?' The father (never having seen an elevator) responded, 'Son, I have never seen anything like this in my life, I don't know what it is.' While the boy and his father were watching with amazement, an old lady in a wheel chair moved up to the moving walls and pressed a button. The walls opened, and the lady rolled between them into a small room. The walls closed and the boy and his father watched the small numbers above the walls light up sequentially. They continued to watch until it reached the last number. and then the numbers began to light in the reverse order. When the walls opened up again and a gorgeous 24-year-old woman stepped out. The father, not taking his eyes off the young woman, said quietly to his son..... 'Go get your Mother.
