Program Idea? Contact Kathy Stringer

HOW IT STARTED- We can blame New Zealand entomologist George Hudson for daylight saving time. He wanted extra hours after work to go bug hunting, according to National Geographic, so he came up with the idea of just moving the hands on the clock. William Willett, who is the great-great grandfather of Coldplay's Chris Martin, according to BBC, arrived at the same idea a few years later and proposed moving the clock forward in the spring and back in the fall in his work, "British Summer Time"

BOARD MEETING 10.12.17

Board agreed that we would not have a meeting on October 19th due to the Installation Banquet the next night. Also, we will not meet during the week of Thanksgiving. We will have our turkey lunch the Thursday before Thanksgiving Administrative budget is running short. Need to find a way to increase income. As always bringing in new members would be a great way. Dues will probably need to be raised next year. All our expenses have increased, we have not raised dues in a very long time. Kiwanis members need to support our youth by going to each Key Club event and their meetings. Also by going to Terrific Kids programs. Our club will be collecting food "Spirit of Christmas Food Drive", Secret Santa for Meals on Wheels and Ringing bells for the Salvation Army. Sell ticket and get door prizes for BBQ fund raiser.
