A Message from our caterer:

A gentle reminder that the salad and fruit that is provided each week is designated for those who do not wish to eat the regular meal. It is provided for a small number of people and not meant to serve those who also eat the regular meal provided. The fruit and salad is provided at no additional charge. Please let me know if the members would like to add these items to the regular menu each week. It would be an additional \$1.50 per person. Let a Board Member know what you think.
