# SHOOTING FOR THE FUTURE

Dear Friends,

One of the true measures of a non-profit's success is the amount of community support it receives on an annual basis. The McKinney Kiwanis Club is proud to host our **5<sup>th</sup> Annual Shooting for the Future** sporting clay charity event benefiting **Boys and Girls Club of Collin County**.

**2018 McKinney Kiwanis Club President:**

Bill Rosnett

In the last 4 years McKinney Kiwanis Club has collectively raised \$88,000 for Boys and Girls Club of Collin County! This was made possible by the support of our sponsors and shooters that attend this event. The first 2 years the funds raised were allocated for building and maintenance for the Boys and Girls club located in McKinney Texas. After the 2nd year, the event raised enough money to renovate the administration building into a new first of its kind teen center at the McKinney location. We want to thank the sponsors who help with the teen center project. This renovation allowed for more teens to join the club in McKinney.

This past year the funds raised went to scholarships to help kids out that could not afford to attend Boys and Girls Club. Last year the \$20,000 raised at the event, helped 40 kids with scholarships for a full year!

This year will be our 5<sup>th</sup> year and we have allocated the funds to go towards transportation. Boys and Girls Club is in desperate need of safe and dependable transportation. Every day the club picks up on average 250 kids in McKinney alone, from school and brings them to the club.

Join us on Friday August 24, 2018 for a fun day of shooting sporting clays while raising money to make a big impact on the future of our kids! We appreciate your support and hope to see you again this year at our 5<sup>th</sup> Annual Shooting for the Future at Top Fun ranch in Anna Texas!

This is a picture of the current bus/van that is becoming unreliable. Top Fun Ranch Event Venue

Sincerely for all the kids,

Bill Rosnett, President McKinney Kiwanis Club
