THE FORMULA

Love It. Share It. Live It.

Love your club. Share it with others. Make
your community better. **The Iplan**

What is a strategic plan?

Think of a strategic plan as an organization's
road map: You can choose the roads you want
to take, but the strategic plan ensures you
reach your destination—your goals.
Kiwanis International's strategic plan, the
Kiwanis I-Plan, is designed for each district
and club to use as a guide to create their own
plans and choose their own paths toward
accomplishing common goals. The plan
focuses on four goal areas—or priorities—that
will help clubs, districts and our overall
organization thrive for years to come as a
positive force for good in the world.

Strategies for The Formula

Increase membership

Open clubs

Develop leaders

Focus on service to invite new members,
strengthen clubs and open clubs

Build a strong network of local and global
partners

Inspiration:

Membership & Engagement

Goal: To build, retain and support a growing
Kiwanis membership network. Kiwanis
inspires and engages men, women, youth,
corporations, other nonprofits, partners and
communities to make the world a better place
for children to thrive. Belonging to Kiwanis
means being part of a massive force for
positive change in the world.
